Miss Grace Grice Weds

Mr. L. G. Axtman, of Pasadena, California, and Miss Grace Grice, of this city, were united in marriage at the home of the bride's parents at High noon on Tuesday. Mr. Axtman is a graduate of the Pasadena schools and is employed by Los Angeles county as expert Engineer and Surveyor. He is a clean, capable and brilliant young man and is to be congratulated upon the wisdom of his choice of a life companion. Miss Grice is an amiable and cultured young lady—the daughter of Mr. and Mrs. H. E. Grice of this city. Mr. Grice is a senior partner in the Grice Drug Co. She graduated from the Pasadena schools and is an accomplished musician, a young lady of rare taste and ability and she is to be complimented upon her wise selection of a life partner. J. L. Beebe officiated, and at the close of the ceremony a sumptuous dinner was served. These young people took the evening train for California where they will reside in Holly Wood—a suburb of South Pasadena—the most beautiful place on earth. May God's Blessing abide upon these happy young people.

'Some' Edition This Week

If you fail to find your name among the many mentioned in our local columns, noting the fact that you have been a passenger in or out of the city or that you have performed some feat aside from the regular run of life, it is due to the fact that we have been too busy to move in social circles. We are preparing to issue an unusually large number of papers this week, three thousand extra copies, the object of which is to place before the people of the tenth district a few facts concerning Attorney L. H. Blackledge, non-partisan candidate for District Judge. On another page of this issue you will find a page ad for this gentleman. Do not merely read the ad and pass it by, but stop, read it again—it's all facts—then tell your friends about it. Tell them that he is the man for the place, and should be elected. He is fully qualified to assume the duties of this office, and if he is elected, you may rest assured that you have helped to place in that office a man who will measure up to the very height of your expectations. Then, when you reach the polls, on November 7th, be sure to cast your vote for him.

A Kansan Making Good Here

Many of our readers are not aware of the fact that Red Cloud is one of the leading horse markets of the Middle West. A few years ago, Mr. Frank Starr, came here from Lebanon, and embarked in this line of business, and we are pleased to note that he is prospering. The principal causes of his success are, that he is a good judge of these animals, and more important still, his word is as good as a government bond. In all his dealings with his fellow men, he has been found to be strictly honest, having given every man a square deal. He not only travels in this immediate vicinity, but also travels in many states, buying horses and mules, which he ships to the Eastern markets. He has bought several thousand head the past year and during the past few weeks, he has shipped six carloads to Grand Island.
